Age is no barrier, 4WD safari tours suit anyone who is reasonably fit.

Luxury Expedition Cruises

Cruise in style and luxury aboard a small expedition ship especially designed with a shallow draft to enable the vessel to navigate closer to shore to access some of the world's most pristine and untouched waterways. Experience a sense of exploration and adventure as you cruise around coastlines so dramatic they could feature in the pages of National Geographic. The outstanding onboard Expedition Team will lead your cruise of discovery, often supported by a naturalist or experts on local geology, geography, biology, ecology, anthropology, culture or history. Access shallow waters and go ashore in magnificent remote wilderness locations onboard the vessel's tenders, typically the high-speed rigid-hulled inflatable Zodiac, which is synonymous with expedition cruising. With low guest numbers and a high crew to passenger ratio on our Luxury Expedition Cruises, you will enjoy a highly personalised cruise, a relaxed but sophisticated atmosphere and small group sizes on excursions ashore.
