## THE GHAN Classic

Luxury in the Outback

### Ghan 'Classic' 3 Day Train Journey

The legendary Ghan journey is available in the traditional 3 day Ghan 'Classic' duration or the popular new 4 day Ghan 'Expedition' version. This remarkable journey connects Darwin and Adelaide, travelling through the red heart of Australia. The contrast of the opulent Ghan journeying through

the rugged outback is a memory you will treasure. You can take The Ghan northbound or southbound. Australia's most famous wine region has over 80 cellar doors, 150 wineries and produces a fifth of Australia's wine. Settled in 1842 by European immigrants, it still retains its old-world European charm and also renowned for its fresh seasonal produce, artisan food producers and award-winning restaurants and is home to Maggie Beer.

You'll see why it's one of the world's greatest food and wine regions. You have the choice of taking a Barossa Valley tour or an Adelaide tour.

### Blue Mountains (Perth to Sydney)

Take in the breathtaking views and majestic surrounds of the Blue Mountains. Visit Echo Point to witness the spectacular Three Sisters, enjoy morning tea and plenty of free time to explore the best of the Blue Mountains. Perhaps take a memorable trip on the Cableway, Skyway or Railway, maybe walk to the top of Katoomba Falls for awe-inspiring views of the Jamison Valley. Continue to Sydney via a scenic train ride from Katoomba through the Blue Mountains.

### Kalgoorlie (Perth to Sydney)

Stop and discover unique Kalgoorlie. Historic Kalgoorlie is the birthplace of Western Australia's mineral wealth, sparked by the massive gold rush following Paddy Hannan's initial discovery in 1893. Today, Kalgoorlie produces 10% of the world's gold and is a vibrant, prosperous modern town with its rich history clearly visible through its amazing colonial architecture. Choose from a selection included tour options.

### Cook

Stop at Cook, the almost deserted ghost town 826km from Augusta, with a current resident population of 4 people and named after the sixth Prime Minister of Australia, Joseph Cook. Explore the amazing deserted streets to see the now unused historic buildings and the crossing loop on the standard gauge Trans-

Australian Railway. The town is on the longest stretch of straight railway in the world, at 478 kilometres from Ooldea to beyond Loongana. The bush hospital is closed, the swimming pool is empty but Cook still has the ability to spark your curiosity. Join your fellow travellers, self guided walking map in hand to explore Cook.

### Rawlinna (Sydney to Perth)

Partake in a traditional outback lamb roast dinner under the wide Nullarbor skies. Located on the fringes of Australia's biggest sheep stations, this little outpost on the Nullarbor Plain is pure jackaroo country. By car, Rawlinna is a five hour trip from the nearest big town, Kalgoorlie. The Rawlinna Station is home to up to

80,000 sheep spread across 2.5 million acres. To put that into perspective, one paddock alone takes 8 hours to muster by plane.
