The impressive three-decked atrium is the focal point of the ship with it's own shopping galleria. Be pampered at the well-appointed wellness centre, make use of the hairdressing and beauty facilities, or work out in the well-equipped gym.

Daily organised activities can range from arts and crafts to guest speakers. Check the daily activity list on board for all the options. Perhaps indulge at The Grill or Chef's Table; or relax at the buffet style Club Bistro.

Vasco da Gama's chefs excel in creating new and delicious dishes which will have you craving your next meal. A selection of Australian and European wines are available to complement your meal plus Australian draught beers are available at the ship's bars. Lucky Bay Esperance

Indian Pacific to Perth with Albany & Esperance Vasco da Gama Cruise

13 Day Train + Cruise Package

Combine the Indian Pacific to Perth with a premium cruise down the Western Australian coast aboard the stylish Vasco da Gama (ports of call in Esperance and Albany). Relax with a traditional leisurely cruise and recent modern fit-out for 5 nights aboard the Vasco da Gama from Perth, stopping at Esperance and Albany. Experience this luxury cruise and train package, travelling from Sydney to Perth on the Indian Pacific, spending 4 nights in Perth followed by your unforgettable Vasco da Gama cruise. The ex Adelaide option is 12 days travelling Adelaide to Perth on the Indian Pacific.

Esperance & Albany Cruise

The Vasco da Gama boasts an unforgettable and intimate experience of fine dining, high class entertainment and luxurious cruising aboard this stylish modern boutique sized ocean liner. Cruise from Fremantle through the expansive Indian Ocean south towards the Southern Ocean with ports of call in Western Australia's Albany and Esperance.

As with all Vasco da Gama's ports of call, you can choose from a range of optional shore excursions, simply explore these beautiful towns on your own or make use of the ships on board facilities and activities admiring the coastal landscapes from the deck. The choice is yours.

Esperance offers the kind of natural beauty that borders on overwhelming, and a slow simplicity that will remind you that sometimes, the Earth's treasures are all you need. Esperance is blessed with squeaky-clean white sand and turquoise waters. The Recherche Archipelago dots the seascape as far as the eye can see, lining the Esperance coast with more than 100 smooth, rock islands that are scattered in the vibrant blue ocean. Indeed, scientific tests have ruled that Esperance has some of the world's whitest sand. Check out the arts centre and galleries, drop into the museum to view what's left of the NASA Skylab after it slammed back down to Earth near Balladonia.

The historic town of Albany is located on the massive Princess Royal Harbour on spectacular King George Sound. It is blessed by a wealth of stunning surrounding natural beauty, the majestic Stirling Ranges, the Mt Barker Wine Region and the dramatic and rugged Southern Ocean coastline with it's beautiful beaches. The town's main street, York Street, is lined with vibrant cafes, restaurants and speciality stores. Albany is where the massive first Anzac fleet gathered from around Australia and New Zealand before departing in 1914 for World War I and is regarded as the birthplace of Australia's Anzac Day dawn service tradition. Visit the National Anzac Centre, one of Australia's most important cultural pilgrimages, overlooking the actual harbour from which over 41,000 men and woman departed for the Great War. Immerse yourself in the Anzac Legend and follow personal stories through state of the art technology, multimedia and historic artefacts.

Cruise two of the world's greatest oceans. The Indian Ocean and the Southern Ocean.

Cable Beach Broome

Indian Pacific to Perth with Broome & Kimberley Coast Vasco da Gama Cruise

20 Day Train + Cruise Package

Combine the Indian Pacific with a premium 11 day cruise to Broome aboard the contemporary Vasco da Gama (ports of call in Geraldton, Broome and Kuri Bay). Enjoy classic stylish cruising along the West Coast to Kimberley with this ultimate luxury cruise and train package. Journey from Sydney to Perth on the Indian Pacific, spending 6 nights in Perth followed by your leisurely traditional cruising aboard the Vasco da Gama from Perth, stopping at Geraldton, Broome and Kuri Bay.

Broome & Kimberley Coast Cruise

Experience luxurious cruising aboard the stylish boutique sized ocean liner Vasco da Gama.

Cruise from the historic port town of Fremantle north through the Indian Ocean, along the Coral Coast to Broome and the Kimberley coast, with ports of call in iconic Broome, the Kimberley's Kuri Bay and the Coral Coast's Geraldton.

Tick Broome off of your bucket-list. Broome is a tropical oasis of striking contrasts in both colour and culture. Beautiful white beaches, bright turquoise water, rust-red cliffs, rich Aboriginal heritage and a melting pot of Asian flavours in its very own Chinatown make this a place you will never forget. Warm temperatures and palms deliver a tropical vibe that is blissfully chilled out. The locals like to call it "Broometime", and all it takes is a stroll on the sands of world famous Cable Beach to set your own clock to its wonderfully relaxed pace. Broome's rich and colourful history has created a multicultural melting pot that is reflected in the town's welcoming and laid-back feel. Built on the pearling trade, these days Broome is a popular holiday hub and gateway to the wild Kimberley region.

The Kimberley Coast is a remote dramatic wilderness and there's nothing quite as profound, immersive and invigorating. It is a largely untouched wilderness of striking contrasts, with 12,000 kilometres of pindan cliffs, pristine white sands and clear turquoise waters teeming with marine life. Cruise the 1,000 islands of the Buccaneer Archipelago. Experience the brilliant blue waters of Camden Sound - one of the world's greatest humpback whale calving grounds - on our stop at Kuri Bay. Nestled on the remote Kimberley, the Kuri Bay coastline is highlighted by magnificent red rock escarpments and a peaceful turquoise bay and a working contemporary pearl farm.

Experience a port of call in Geraldton, located on the beautiful Batavia Coast. This seaside city is emerging as a trendy beach escape. Blessed with beautiful inner-city beaches and a warm, windy climate, it is up there with the top must-see surfing, kite surfing, windsurfing, diving, snorkelling, boating and fishing destinations in Australia. Besides a buzzing modern foreshore that offers shopping, dining and lively entertainment, Geraldton has established itself as a trendy seaside city with the emergence of cold-brew coffee, street-art and plenty of other great experiences. Take a moment to immerse yourself in the touching HMAS Sydney Memorial.

More than one third of the island is protected by conservation areas and national parks, while lush farmland and small towns make up much of the rest. Kangaroo Island, known to the locals as "KI", is Australia's third-largest island and is located 70 miles southwest of Adelaide in St Vincent Gulf.

The area boomed until the 1920s and Wallaroo's buildings and old Cornish-style cottages are a reminder of its colourful copper mining past. Blessed by nature and embraced by sea, Yorke Peninsula is a world apart with magnificent beaches and jagged shorelines located between Spencer Gulf on the west and Gulf St Vincent on the east. The peninsula is separated from Kangaroo Island to the south by Investigator Strait.
